

# THE BCS BULLETIN

SPECIAL EDITION — AUGUST 1987  
VOL. XLVII NO. 2

46?

As the incoming President of the BCS Alumni Association, I would like to invite you to attend Thanksgiving '87. You will find, in this special edition of The Bulletin, a full schedule of events for both Saturday and Sunday of Thanksgiving Weekend. Any of you who attended last years "150th Homecoming" will remember what great fun it was and will not want to miss this year's "Octoberfest!"

Also included, on the back page of this Bulletin, is a calendar of the many School and Alumni events to be held in 1987-88. We hope this will enable you to plan to attend some of these events over the course of the year. Your participation results in our success!

This is also an opportune time to review the function and goals of the Alumni Association for the upcoming year and to review the past year.

Our function, along with communication with Alumni, is to help raise and administer funds through Annual Giving, the Annual Phonathon, and various Special Fund Raising events. We also endeavor to aid the Board of Directors of the School in any way we can with their projects.

This past year has been very successful. The establishment of an active Chapter of the Alumni Board in Toronto is helping us serve and keep in better touch with our many friends in the Toronto area. We have completed a thorough review of our letters patent and the by-laws of the Alumni Association (dull but important). With the help of a Gillard Lectures and Debates Committee, the Alumni Association has and will continue to provide the students of BCS with distinguished speakers, the next of whom will be Landon Pearson, KHC '47, on November 26th.

The Development Office has been enormously successful in organizing the many special events during our 150th Anniversary celebration. The popularity of the Invitational Alumni Hockey Tournament has made it an annual event, and the Annual Phonathon has, along with being an extension of Annual Giving, enabled the Development Office to accurately update its records. They have made tremendous strides in this respect, thanks to their hard work and the growing cooperation of our Alumni. So much progress has been made that the Alumni Association is able to offer, for the first time, an **Alumni Directory**.

Social events and Reunions play a major role in keeping alive the awareness of the School throughout the BCS community. This is especially important with area reunions such as Calgary, Vancouver, St. John's, Halifax, Fredericton, Toronto, Ottawa and Montreal, not to mention the successful "Year Reunions" held here at BCS.

The BCS Alumni Association is clearly the communication arm of the BCS family. In order to make 1987-1988 as successful as possible, we are establishing a "Class Representative" system, which will be set up by the end of the year. This is our first priority for the year and is extremely important for many reasons. It will enable us to keep in touch with our many friends quickly and efficiently. If you have any interest in representing your class, please get in touch with Kim Laliberté, our Alumni Relations Officer, in the Development Office at school.

Finally, communication is a two-way street, and we hope that any of you who have any comments and ideas, will get in touch with us. We look forward to hearing from YOU!

See you at Thanksgiving.

David Jones

# Octoberfest

## Saturday

## October 1
